AMPATALK

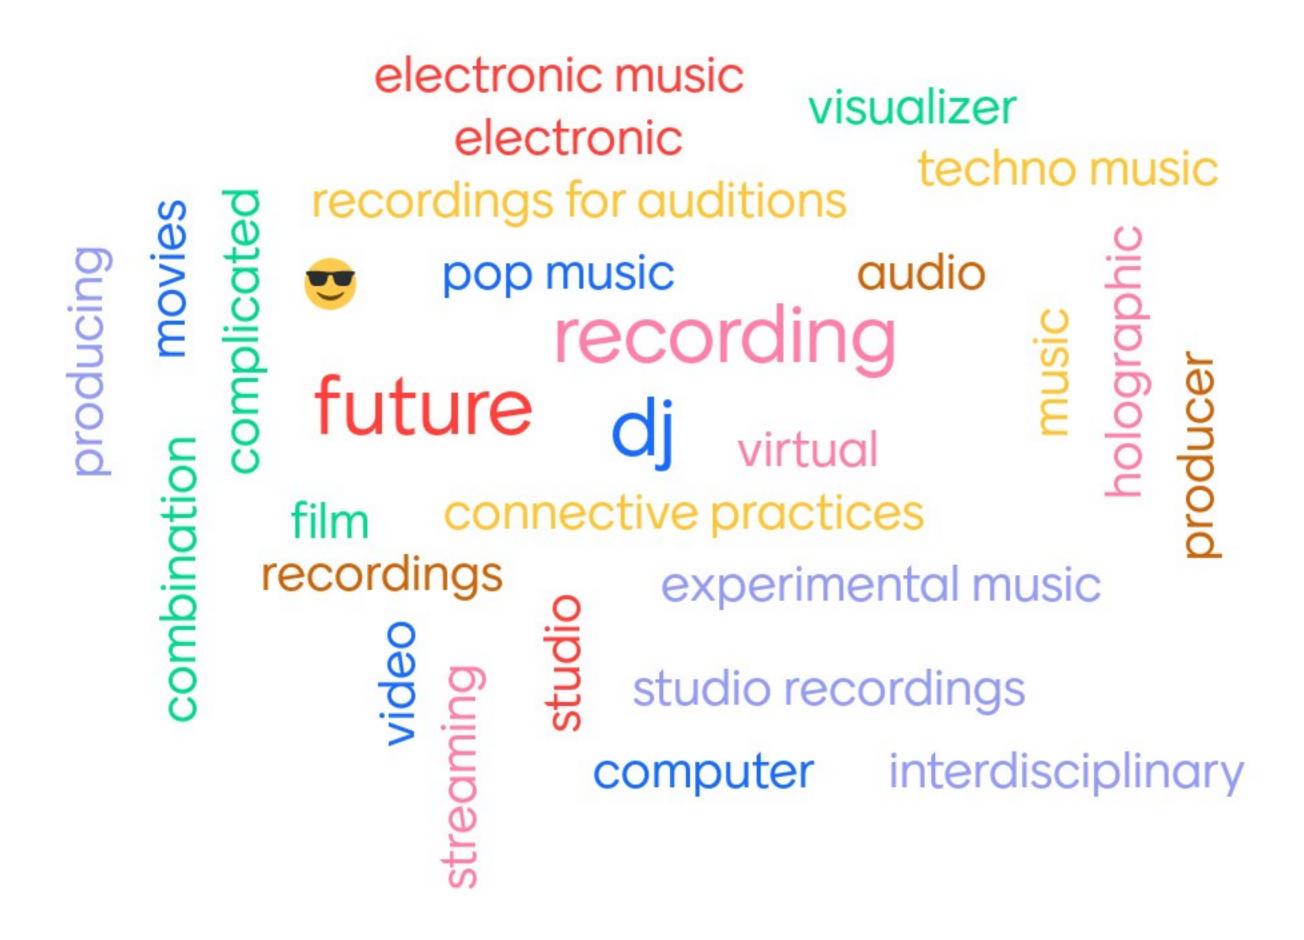

What is the first thing that comes to your mind when you hear music and technology?

What statement is fitting your profile?

I'm sceptical about digitalisation

Strongly disagree

I'm interested, but not that familiar with technological techniques yet

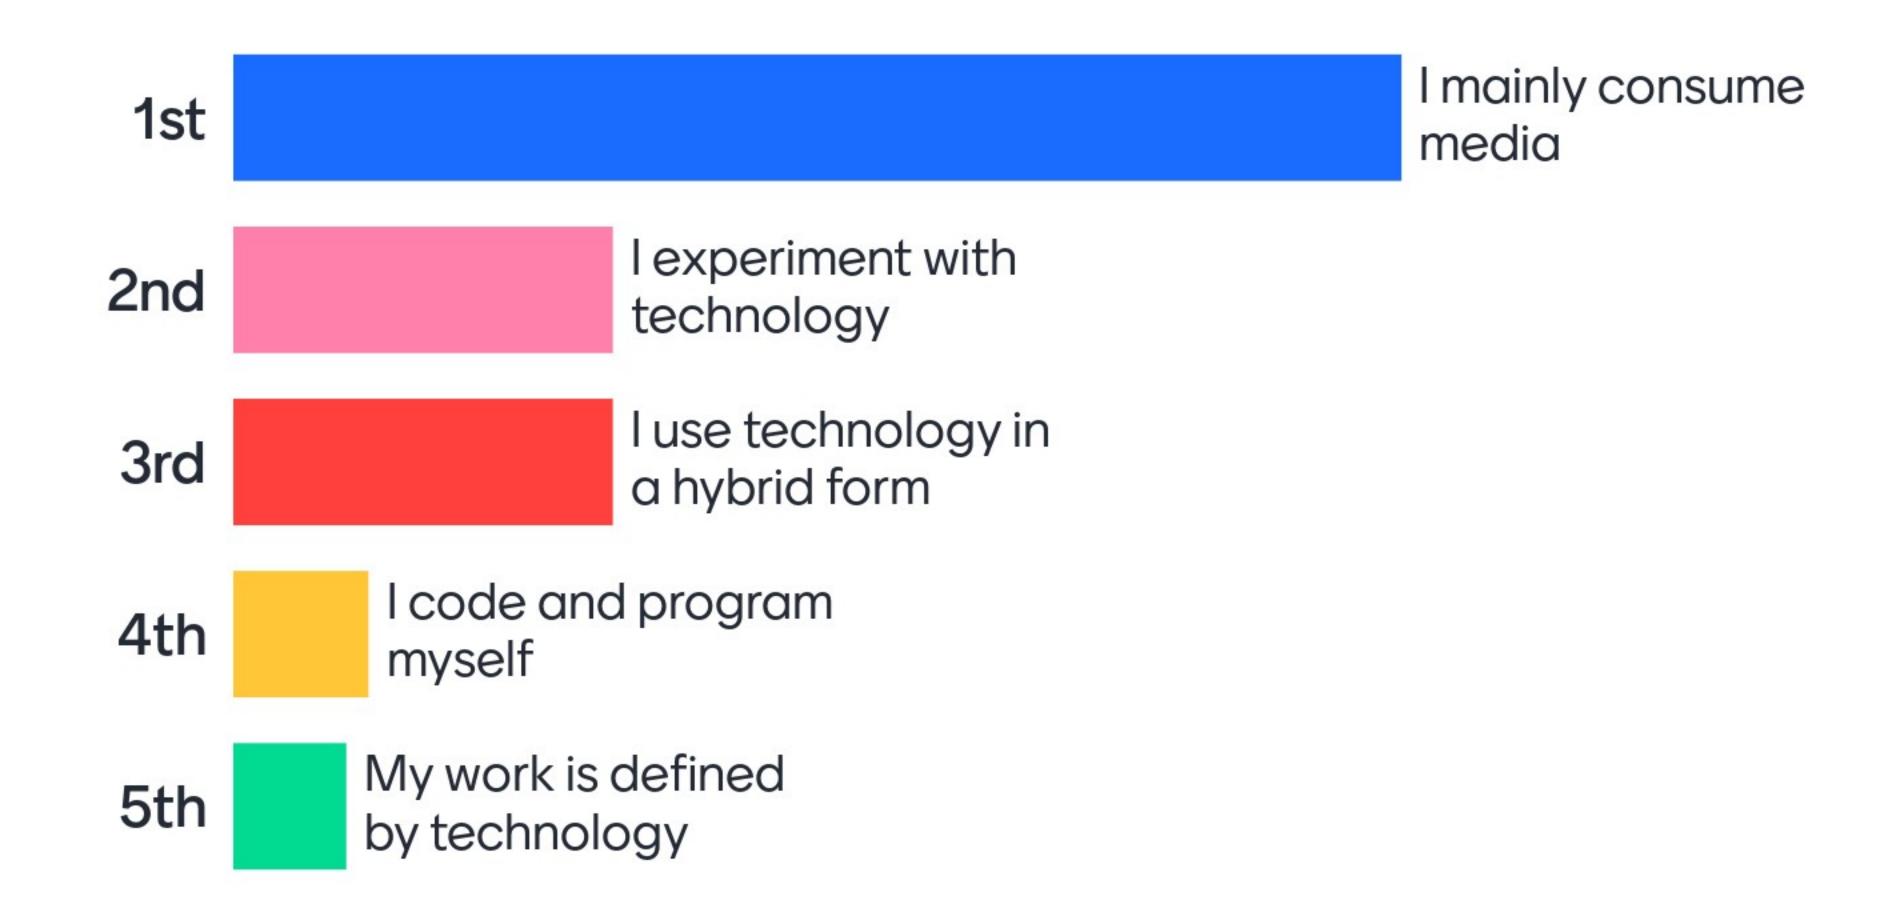

3.4

I am familiar with possibilities of technology in music

I am proficient with technological techniques in music 1.8

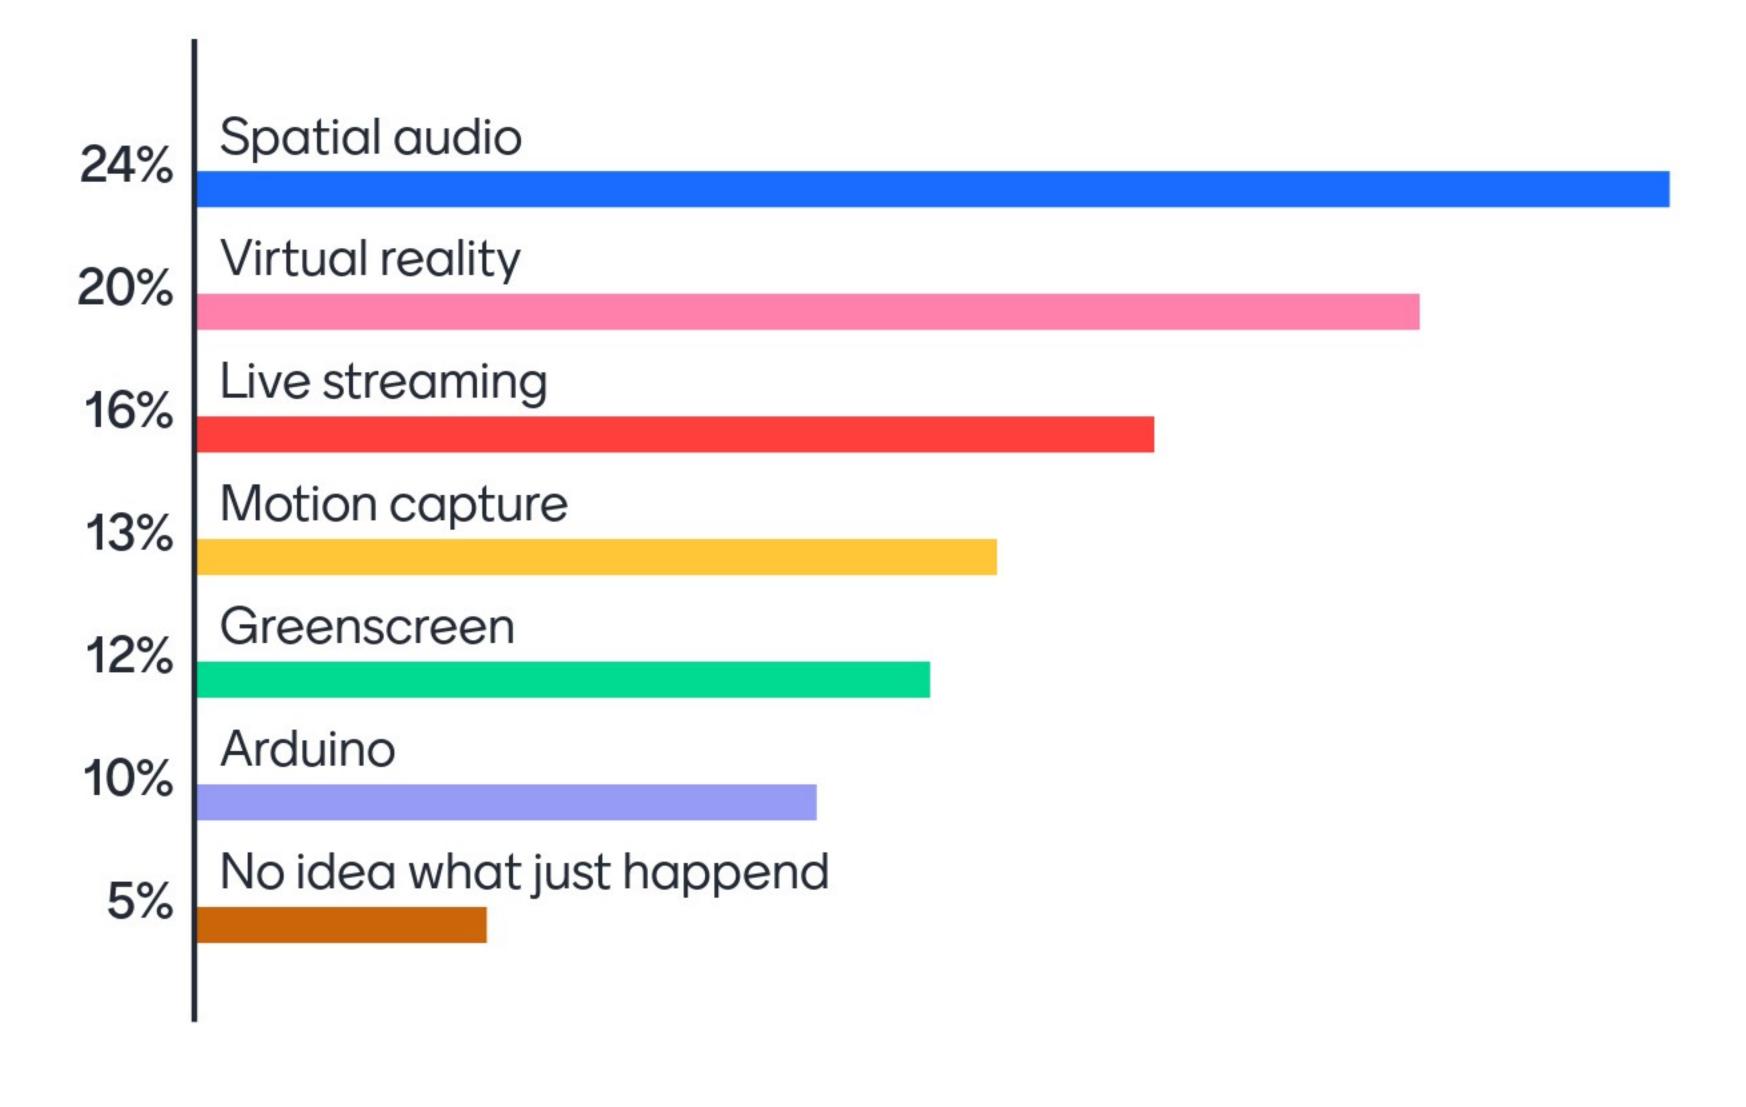

How close is technology for you?

Mentimeter

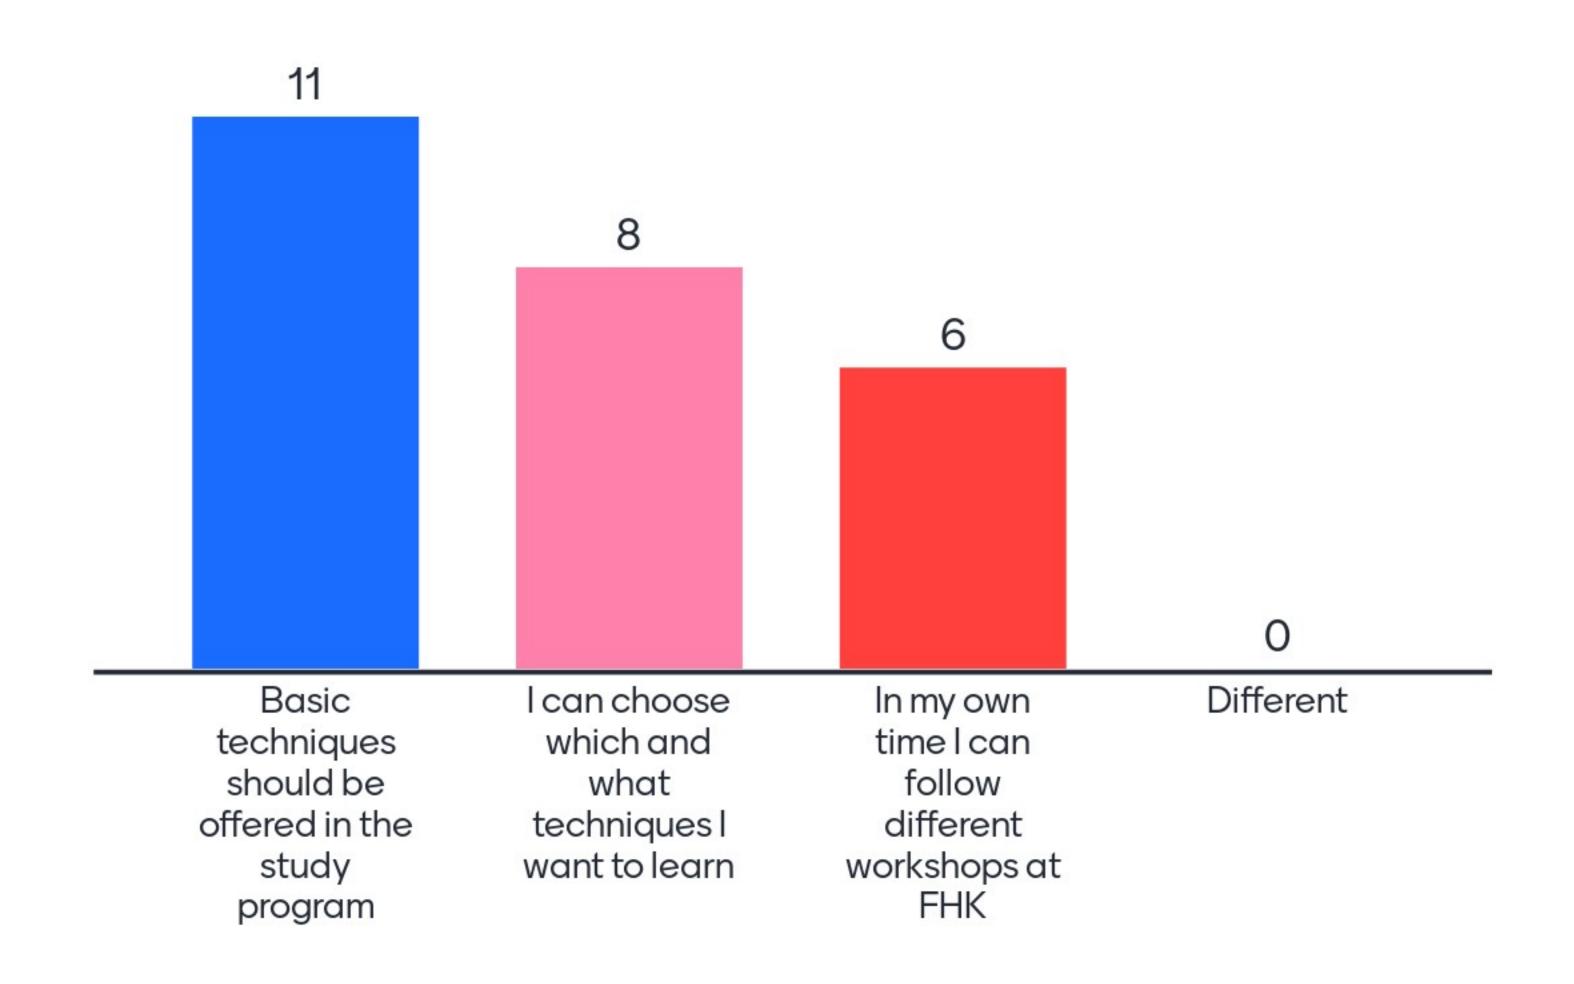

Give away 100 points! What would you like to learn?

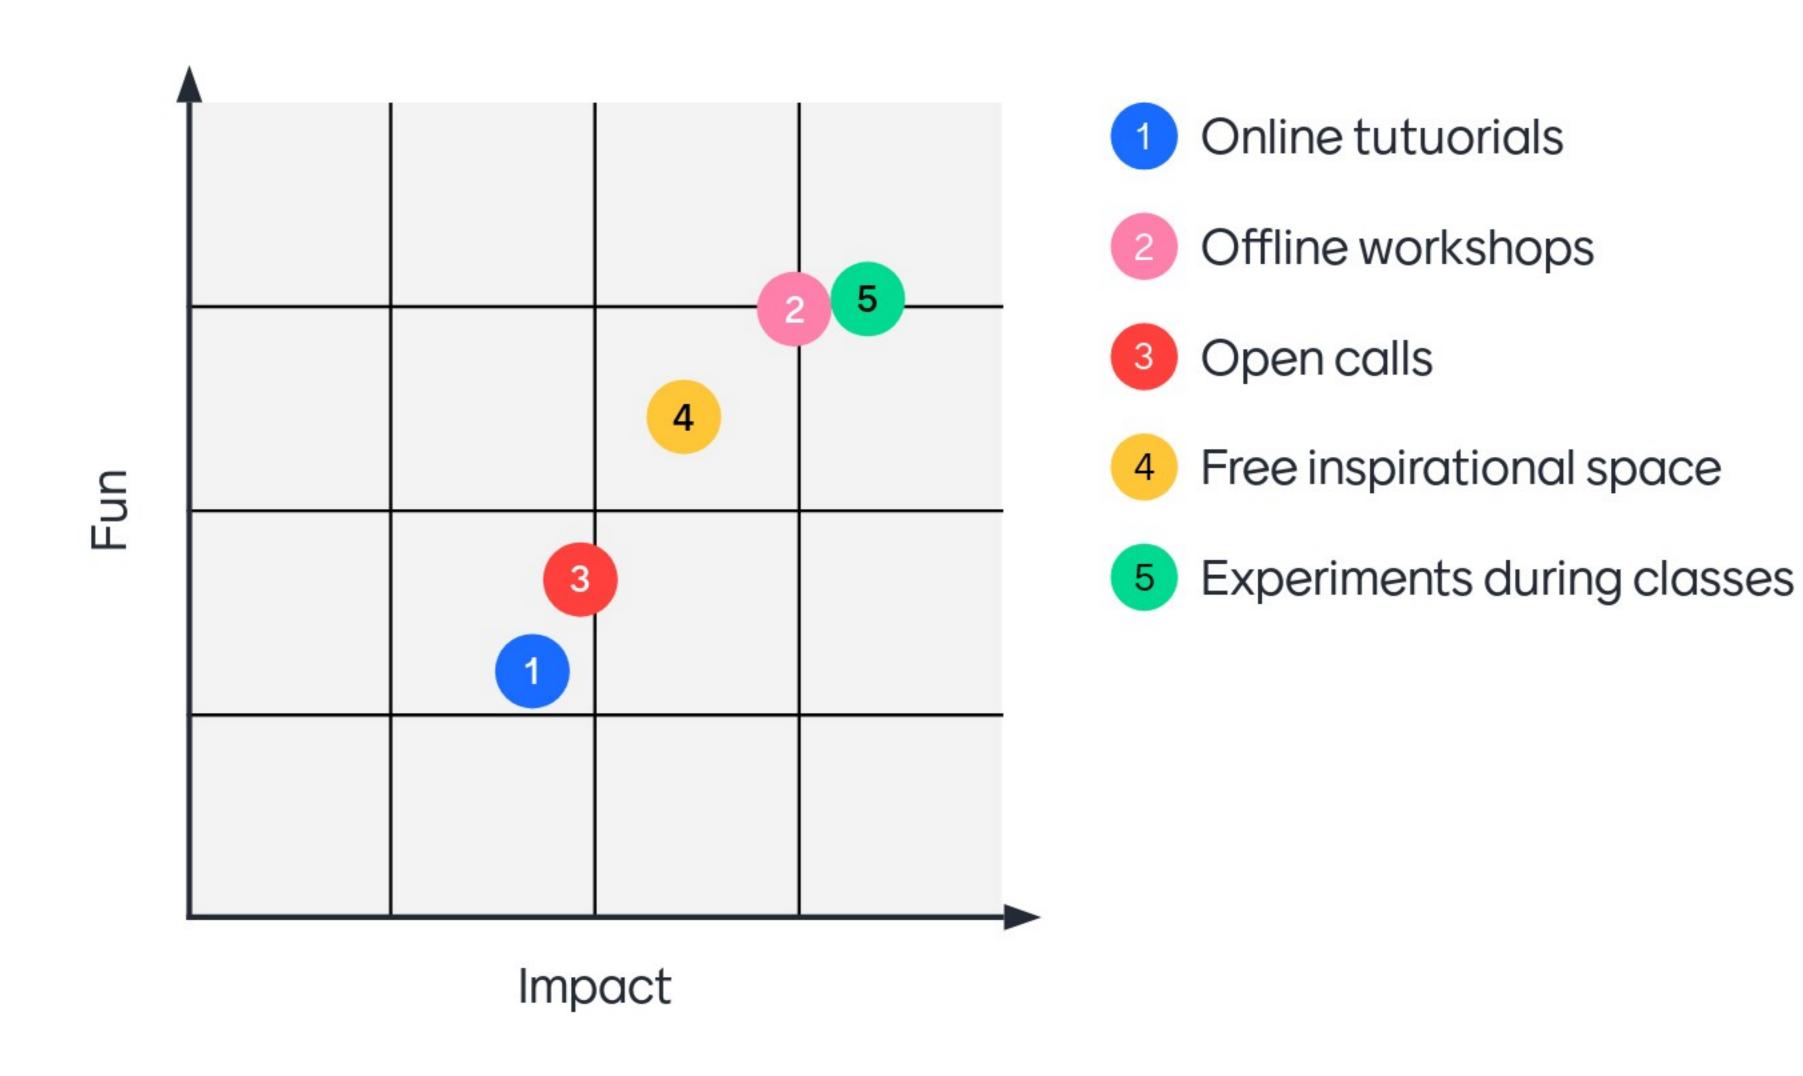

Mentimeter

How would you like to learn more about any of those things from the last slide?

What works for you?

Leave your vote

Yes I want to learn more about this topic! wins!

Yes I want to learn more about this topic!

Looks cool, but I still have no idea what I can do with it

It's just not for me
